DENISE BIBRO FINE ART, announces its summer installation of works from its backroom.

We will not have to tap hands and say “NO!” for the summer. Our summer installation is comprised of works from the place that many want to go—our backroom. This group installation is comprised of gallery and guest artists. The work exhibited displays a broad range of media and genres of art: conceptual...abstract...representational.... This exhibition will give insight into the depth and girth of the art we represent. What wonderful inventory we have will make you want to make an appointment to view and acquire work for your art collection.
