## **DUSTY BOYNTON: *CLOSE ENCOUNTERS***

**April 11 - May 11, 2019**

*Proposal*, 2018. Oil on linen, 32 x 24 inches

**Denise Bibro Fine Art**, 529 West 20 Street, Chelsea, NYC, is pleased to announce Dusty Boynton's solo exhibition, ***CLOSE ENCOUNTERS***. This exhibition is comprised of primarily abstracted figurative compositions in oil on canvas and mixed media on paper. This survey of works created within the last decade highlights Boynton's most successful oeuvre of interpretive realism.

Boynton's modius operandi... her spontaneous and organic way of painting... successfully creates narratives that evoke emotional dialogues of the human condition. Her works provide a broad range of emotions; from the whimsical to the mysterious, the dark to the elated, and the proactive to the contemplative.

Dusty Boynton has had numerous solo and group exhibitions, not only at Denise Bibro Fine Art, but she has also had various shows at Museums and Cultural Institutions including the Delaware Contemporary Art Museum, Wilmington, DE; The Burlington Art Center, Burlington, VT; and The Helen Day Art Center, Stowe, VT. Boynton has been featured and exhibited at international art fairs such as Art Miami, Art Context, Houston Art Fair, and Art South Hampton to name a few. Boynton's work is also in numerous private and public collections and has been featured in the movie *Remember Me* with Robert Pattinson.

There will be an upcoming solo exhibition of Boynton's work at The Bennington Museum, Bennington, VT.

Boynton has had reviews in numerous publications including; *Architectural Digest*, *Art Forum*, *ArtNews*, *Art in America*, *The New York Times*, *Arts Magazine*, *New Art Examiner*, and *The Wall Street Journal* among others.

There will be a reception, Thursday, April 11, 2019, 6-8pm. The artist will be present.
