*Bettie Page, Carol Jean Lauritzen and Kathy Stanley Jumping (Key Biscayne, FL), Bunny Yeager*

**Denise Bibro Fine Art** is pleased to announce the opening of ***Preparator's Choice***. The show will run through March 27, 2021.

***Preparator's Choice*** is a selection of works curated by the gallery's preparator, Stuart Elvidge, who has selected these works from our back-room collection. Who would know more than a good preparator of the treasures that linger in a galleries' back room, waiting to be viewed, interpreted, talked about, and coveted. Our preparator, languishing with the calamities of this pandemic for a year, has been encouraged to choose works to hang on our naked walls. This group exhibition is a diverse collection of art jewels, various aesthetics, mediums, and narratives. Despite their disparities, they all give the viewer a narrative and present a short journey for the viewer.

We encourage everyone to take this journey of exploration and find their favorites. We invite any and all to have an intimate, Covid-protected environment by scheduling an appointment with our gallery staff.
